TODAY'S SERVICE

Call to Worship & Welcome

We invite you to fill out a Connect! Card. Go ahead and pull out your phones right now and fill those out...You can go to davenportvineyard.org/connectcard or go to the connect card section of the app. If you prefer paper, you may pick up a copy as you enter the auditorium. Fill it out and place it in the clear plastic boxes by the exit doors.

Message

An inspiring talk from God's Word, the Bible, that relates to real life and calls for a response

Worship

Selected songs that are designed to help us sense God's presence and worship him together. Communion is available for anyone during this time.

Response Time

We always provide the opportunity to receive prayer, regardless of the need. We have a generous God who loves to listen and respond when we call on Him. This may even be the day you begin a relationship with God. A trained member of our Prayer Response Team would love to be able to talk and pray with you in the front of the auditorium after the service.
